SODASHI FACIAL THERAPY

Harnessing the power of nature with Sodashi products, our customised facial treatments will move your skin toward balance to reveal its natural beauty.

MANKIND FACIAL

60 minutes — \$165

Designed to treat specific skin concerns of men, this treatment begins with a relaxing Sodashi Himalayan salt therapy back massage to ease stress and reduce tension in the mind and body. A deep cleansing and exfoliating facial balances the skin's natural oils and assists in preventing ingrown hairs, while Sodashi's soothing mists with woody aromas de-sensitise the skin. The treatment closes with a relaxing facial massage to tone and firm facial muscles, leaving the face looking fresh and revitalised.

THERMAL INFUSING FACIAL

90 minutes — \$235

An intensive boost of nature's most potent vitamins and minerals. This indulgent treatment is tailored to individual skin needs, to purify and deeply cleanse or nourish, leaving skin hydrated and toned. Sodashi's special warming infusing mask with volcanic clay, maximises penetration of essential ingredients into the deep layers of the skin, restoring forgotten elasticity and radiance. This is more than a facial – it's nature's face-lift.

HALCYON SIGNATURE RADIANCE FACIAL

60 minutes — \$165

Unveil glowing skin with a facial tailored to your specific skin type. Your skin will feel calm, hydrated and radiant as a result of layering Sodashi's finest plant essences designed to soothe and replenish. Including an indulgent facial massage and mask, the results are impressive as your complexion regains a natural radiance.

SAMADARA ULTIMATE AGE-DEFYING FACIAL

105 minutes — \$300

Beyond a facial, the Samadara™ Ultimate Age-Defying Facial will leave your skin glowing. Using a sequence of timeless, anti-aging techniques rooted in Ayurvedic healing traditions, the skin will be reawakened and reach its own natural healing potential. Transform your skin with this intensely hydrating and nourishing treatment that increases firmness and elasticity, diminishes the appearance of fine lines and restores a youthful glow. Madagascan rose quartz crystals are used to enable the powerful Samadara™ Ultimate Age-Defying Crème to penetrate deeply into the skin for maximum benefit.

LAVA SHELL MASSAGE

60 minute \$180 / 90 minute \$235

This massage experience features self-heating natural tiger clam shells - sustainably collected from the SouthPacific and lava gels containing minerals, algae and dead sea kelp. The lava shells expel heat that increases through the massage to open pores and detoxifying skin while soothing muscles, easing tension, and reducing aches and pains.

BODY THERAPY

Revitalise your body with these all-over body treatments designed to reveal healthy, radiant skin. Allow the restorative and reviving botanical extracts of the Sodashi range to cleanse, smooth and reinvigorate your skin with time-honoured, therapeutic techniques.

PURIFYING BODY BOOST

90 minutes — \$225

This truly purifying treatment begins with an invigorating body exfoliation using Sodashi Body Balance Salt Therapy Exfoliant to soften the skin and stimulate circulation. Sodashi's natural purifying and detoxifying mask is then applied to the whole body, to relieve sluggishness and congestion, and help remove unwanted toxins. The purification process is enhanced by a full body application of an enlivening body moisturiser.

NOURISHING BODY BOOST

90 minutes — \$225

Start with a Jojoba Bead Body Polish to exfoliate and cleanse the whole body. Then a nurturing full body mask made from pink clay, rich in herbal extracts, cocoons your body to nourish, firm and tone the skin while your therapist delivers a relaxing scalp massage. Finishing off with an application of body cream with jasmine and rose to seal in nourishment. This decadent treatment is safe and effective during pregnancy.

BODY BALANCE SALT GLOW

60 minutes — \$165

Bring the body back into balance with the application of warm soothing oils, followed by an invigorating exfoliation, using Himalayan salt and plant essence therapy. Designed to relieve stress and fatigue while gently stimulating the body's circulation, this treatment is particularly recommended following periods of travel or strenuous exercise. A perfect addition to any full body massage.

SMOOTHING JOJOBA POLISH

60 minutes — \$165

This gentle skin-softening body exfoliation treatment uses jojoba beads to remove dead skin cells while oxygenating the skin. A full body application of aromatic body cream will leave your skin nourished and refreshed, while uplifting, comforting and balancing the mind and spirit. Effective, but still gentle enough for sensitive skin and during pregnancy.
